All Crouse-Hinds pin & sleeve plugs, connectors, and receptacles feature:

- Heavy duty die cast aluminum bodies.
- Spring door protection for connectors.
- Sealed cord grip chamber to keep contaminants out.
- Tri-lock cable grips.
- Durability & light weight.
- Watertight construction meets IP56 standards.
- Krydon non-metallic construction (available).

Give us your custom cable requirements, we can provide the cable, pin & sleeve, and assembly in one delivered price. With over 30 years of proven experience in this industry, you can count on our quality workmanship.
