Plug

All Marinco plugs & connectors feature:

- Heavy duty brass alloy blades for extended durability.
- Color coded terminal screws for easy assembly.
- Heavy duty external cord grips to prevent cable from disconnecting.
- Nylon housing for superior chemical & impact resistance.

Give us your custom cable requirements, we can provide the cable, wiring devices, and assembly in one delivered price. With over 30 years of proven experience in this industry, you can count on our quality workmanship.
