CENTURY® WIRE AND CABLE

ProStar™

100ft 12/3 SJTW Heavy Duty Lighted Extension Cords

This ETL Listed heavy duty extension cord is molded with our "power check" lighted ends that indicate there is power flowing through the cord. This is our most cost effective extension cord that will provide years of dependable service.

FEATURES

- Manufactured to 12/3 AWG (American Wire Gauge) specifications
- All copper is soft drawn & annealed for maximum flexibility under full load
- Our Pro Star® PVC insulation and jacket guarantees working flexibility in temperatures down to -40°F
- SJTW outside jacket is rated at 300 volts
- We use heavy duty molded on 15A-125V NEMA 5-15 plugs & connectors that will not pull away from the cord body
- Jacket color: Yellow, Blue, Orange, Green, Red
- cETLus and OSHA Listed for USA and Canada

WARNING: ⚠ This product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
